1 July 2026

Filing season opens

Individual (non-provisional) taxpayers can begin filing their ITR12.

July 2026

Auto-assessments issued

SARS auto-assesses many taxpayers. Check it against your own figures before accepting
- auto-assessments often miss home office and s18A donations.

23 October 2026

Deadline - non-provisional

Last day for non-provisional individual taxpayers to file.

31 January 2027

Deadline - provisional

Last day for provisional taxpayers to file via SARS eFiling.

Also remember

- Provisional tax (IRP6): 1st payment end August 2026, 2nd payment end February 2027.
- Keep 12 months of bank statements plus your IRP5, IT3 and medical / RA certificates.
- ClaimX lets you prepare year-round so you are ready the day filing opens.

Confirm dates before you file

SARS confirms exact filing-season dates each year and they can change. Always verify the current deadlines on SARS eFiling (sars.gov.za) before filing. This one-pager is indicative and is not tax advice.
